9th December 2016

Dear Parent/carer,

RE: Year 9 Full Reports

Due to a new system for data and reporting being implemented at the start of 2017, the Year 9 full reports due to be published at the end of this term are to be postponed until the end of February 2017.

The reasoning behind this is so that parents and carers have the chance to become more familiar with the new grading and targeting system set by the government. Our new system will provide you with clear and concise information regarding your child's attainment and predicted grades.

You will be receiving an interim data report for Half Term 1b on 21st December 2016 which includes your child's half term grade, expected end of year grade and MEGs. In addition, the report will also contain their Effort, Behaviour and Homework scores.

We hope that you will find the new reporting system both informative and constructive.

If you have any queries, please contact myself or Mrs Nicholas (Data Administrator).

Yours faithfully,

P. Walmsley
Deputy Head
