Dear Parents/Carers

I hope you are enjoying some time with your family during these summer holidays, myself and the staff here are all busy preparing and are very excited about welcoming your family and your child into the BHS family, we hope that you are excited about joining us too.

This can be a daunting and nervous time for both you and your child, please try to be assured that we understand your apprehensions and we have many activities planned to ensure that your child (and you) feel comfortable from the minute they walk through our doors.

Your child should arrive to school on the 5th of September no earlier than 8.15am. If your child is being dropped off, please make sure that they are dropped off on the bottom car park, at the entrance to the steps where they will be greeted by either myself or a member of the Senior Team. Please enter the car park from the bottom entrance as we have a contraflow system in place. From there your son or daughter will be directed into the main space in school where they will meet their form tutor and get ready for their first exciting day at BHS. They should have their full uniform on, an appropriate school bag and all of their equipment; a packed lunch if they are not having a school meal or enough money for the canteen if they do not receive free school meals.

Hopefully you have received our welcome pack which contains details of where to buy our uniform etc. by now. If you haven't received this, please call the school number or leave us a message on our social media sites and we can get this out to you as soon as possible. Amongst this pack is a data collection sheet. It is essential that we receive this back as soon as possible in order to ensure that we have the correct contact details in case of an emergency for example.

I will contact you again early in September with an invitation to join us for a settling in meeting with the Senior Team and your child's form tutor. This will be an opportunity to ask any questions, raise any concerns or simply pop in for a chat about how they have settled in. In the meantime, if you have any worries, concerns or questions please do not hesitate to contact the school on the direct number.

Yours Sincerely

V J Povey
Headteacher
