Planning for challenge

An interactive session looking at different strategies to providing challenge for all students, not just the most able

Using your LSA effectively

An interactive, discussion led session highlighting the best practice

4 part lesson planning

Why 4 parts? Why not 12?

Behaviour – factors that inhibit learning

An exploration into the factors that prevent students accessing curriculum and what an engaging learning environment looks, sounds and feels like, how do we prepare our students for learning to take place.

Lesson Observations – making judgements

Putting yourself in the eyes of an inspector, how are judgements reached?

AfL – Pimp my lesson

Workshop based session sharing AfL strategies that are quick and easy to slot into any lesson

Literacy across the curriculum

Quick fire easy wins of incorporating literacy into your lessons where appropriate

Differentiation

Sharing practice, what works, what doesn't. Planning effectively to engage and challenge all

AfL

Strategy exchange, AfL workshops

Learning Exchange

Swapping ideas, learning from our mistakes, sharing resources
