Dear Parent/Carer

As a result of governmental guidance in relation to the Covid-19 outbreak, we have been directed to temporarily shut Burnley High School for the safety of all of our students and staff, as well as their families and the local community. At this point in time we have no guidance as to when we will be directed to re-open.

However, we take our responsibility as educators very seriously and as such, have provided work for each individual class, planned by their own teacher, for them to complete during this time. This work will be updated weekly for as long as we are directed to remain closed.

Therefore, at the start of every school week, EVERY child who attends Burnley High School needs to follow the links on the Burnley High School website. The school website is www.burnleyhighschool.co.uk and if you click on the Pupil Zone tab at the top of the webpage, then the Home Zone button, you will be able to click on each subject, each year group and then your child's teacher, where you will be able to find the work set for that week. Alternatively, you can type this link to take you directly to the Home Zone page: <https://burnleyhighschool.co.uk/home-zone/>

The majority of the work being set is through an online platform called Seneca Learning, but some work is being set via Show My Homework. These online platforms only require access to the internet and can be accessed via a mobile telephone, tablet, laptop or computer. It is vital that students access their learning during this time, and the amount of work set by a member of staff each week correlates to the number of hours that students would study that subject. For example, if your child had 5 hours of Science a week, they will be set work that should take approximately 5 hours to complete. Should you have any technical problems with Seneca Learning, please use this link to support you:

<https://help.senecalearning.com/en/collections/1434432-parent-faqs>. If you encounter any issues with Show My Homework, please visit this link: <https://help.teamsatchel.com/en/collections/1695420-parents>.

Should you continue to have technical issues, please e-mail this address: ITHelp@burnley-cs.org

This e-mail address will be checked during school hours and e-mails will be responded to as soon as possible by Mr Scott, our IT technician. Please only e-mail this address if you have checked the above help pages first to ensure enquiries are prioritised and responded to in a timely manner.

Mr P Walmsley
